

JOHN R. O'TOOLE

Member of Provincial Parliament
Durham

July 22, 2011

The Hon. John Wilkinson
Minister of the Environment
135 St. Clair Ave W, 15th Flr
Toronto ON M4V 1P5

Dear Minister Wilkinson:

Attached please find an e-mail from my constituent, Carmela Marshall regarding questions for which she is seeking answers from the Ministry of the Environment. I understand that Dave Fumerton, District Manager for York-Durham, is in the process of arranging a meeting with her to discuss these matters.

I would like to bring Ms. Marshall's questions to your attention because she has provided a very thorough analysis of issues related to the re-location of soil and related material to the Morgan's Rd. site in Clarington and the Lakeridge Rd. site in Scugog. She has also raised questions about certificates of approval for Direct Line (Green for Life).

I appreciate Ms. Marshall's advocacy for the health and well being of citizens and the environment as well as the efforts she has made to use her research and science background to address matters related to soil, groundwater, and the placement of commercial fill. To date, she has delivered at least 17 presentations for municipal councils and conservation authorities in York and Durham.

Again, thank you for your consideration. I look forward to your reply.

Yours truly,

John R. O'Toole, MPP
Durham

*Ms Marshall, I understand,
is an educator at University
and college level.*
