

**NOTICE OF PASSING OF A NEW
SITE ALTERATION BY-LAW
FOR THE CORPORATION OF THE TOWNSHIP OF SCUGOG**

Please note that at the November 2, 2015 Council Meeting, Council passed a new Site Alteration By-Law, By-Law Number 62-15. Council deemed it in the public interest to regulate the dumping and placing of fill and other site alterations in order to ensure that:

- Existing drainage patterns are maintained and erosion and sedimentation are prevented;
- Changes to drainage or grade are appropriate to protect natural heritage features and areas;
- Interference and damage to watercourses or water bodies are prevented;
- Ground water and surface water quality is maintained;
- There is no discharge of a contaminant into the natural environment that causes or may cause an adverse effect and that degradation of the pre-existing soil and ground water quality conditions at the site and on adjacent properties is prevented;
- Haul routes for the transportation of fill and topsoil authorized for placement, dumping or removal will be designated to and/or from a site to minimize damage to the Township's roads and minimize interference and/or disturbance to the Township's residents and businesses;
- Disturbance to landform characteristics are kept to a minimum; and
- The proponent of the site alteration project pays for its costs;

A copy of By-Law 62-15 is available at the reception counter of the Municipal Office, 181 Perry St., Port Perry or on the Township web site.

Ms. Kim Coates, A.M.C.T.
Clerk

Dated at the Township of Scugog this 6th day of November, 2015.
